## ASSIGNMENT

I, Kenneth W. Batchelor, for good and valuable consideration, receipt of which is hereby acknowledged, from GLAXO INC., a North Carolina corporation having its principal place of business in Research Triangle Park, NC, hereinafter called the Assignee, do hereby sell, assign and transfer unto the Assignee, its successors and assigns, the entire right, title and interest in, to and under an application for Letters Patent of the United States executed by us on the same date for:

## ANDROSTENONE DERIVATIVE

and the inventions and any of them therein set forth and described, and any and all Letters patent of the United States and of countries foreign thereto which may be granted thereon or therefor including any continuation, division, renewal, substitute, reissue or extension thereof or any legal equivalent thereof.

For the above consideration, I agree promptly upon request of the Assignee, its successors or assigns, to execute and deliver without further compensation any power of attorney, continuation or reissue, or other papers which may be necessary or desirable fully to secure to the Assignee, its successors and assigns, the inventions and any of them described in said application and all patent rights therein, in the United States and in any country foreign thereto.

IN WITNESS WHERETO, I, Kenneth W. Batchelor, hereunto set my hand and seal this 16 day of March, 1995.
